MEMORANDUM FOR: Project Director and
Deputy Project Director

SUBJECT : Use of Toxic Substances

25X1A6a

1. As a follow up on the blood changes found in a few men working with toxic substances at [REDACTED] I had [REDACTED] send no further examinations.

25X1A9a

2. The Group showing the suspicious changes have now returned to a normal level, so we feel that the situation is under control and no more untoward results are expected.

3. All personnel involved have been indoctrinated in the caution procedures to be followed when using such substances, and we do not anticipate any further problem.
